

# TWO KILLED IN AUTO RACE FOR METROPOLITAN TROPHY

George Smith Wins Forty-Second Annual Kentucky Derby; Time 2:04

## LIMBERG AND HIS MECHANICIAN DIE

Eddie Rickenbacher is an Easy Winner of the Race in Very Fast Time.

JULES DEVIGNE IS SECOND

Victim of Accident Impaled on Piece of Lumber and Killed Instantly.

(BY ASSOCIATED PRESS) NEW YORK, May 13.—Carl Limberg, an automobile racer, and R. Pallotti, his mechanic, leading the field in the fifteenth lap of the 150 mile race for the Metropolitan trophy, were killed when the machine crashed into a guard rail on the Sheepshead Bay track this afternoon. Limberg, who had been taking the turns near the very top of the high saucer track, apparently lost control of his car while rounding the bend at a speed of more than 100 miles an hour. Both men were catapulted 100 feet over the rail and crashed to the ground about thirty feet below.

The driver was impaled on an upright piece of timber and was killed instantly. Pallotti died on the way to the Coney Island hospital. The machine, one of three French cars imported for the race by Harry S. Harkness, crumpled under the impact and burst into flames. The blazing car clung to the rail and the other drivers flashed past without slackening speed, ignorant of the fate of their fellow racer. A flash of flame and a cloud of smoke told the spectators that an accident had happened, but as it occurred at the far turn of the two mile saucer, few realized that it marked a tragedy.

Limberg's wife was in the grand stand. As the other cars dashed by she missed her husband's machine and realized that he was the victim of the accident. An attendant escorted her from the stand, and an automobile carried her to the hospital, as she was told Limberg had been taken there. Not until she reached there did she learn that he was dead.

Few persons, until the race was nearly over, knew that two men had lost their lives.

Eddie Rickenbacher was an easy winner of the trophy in one hour, thirty-three minutes and thirty-one seconds.

## WASHINGTON IRVING WINS THIRTEEN-INNING BATTLE

From the Fast Mannington High School Team by a Score of 2 to 1.

DAWSON BEATS LYALL

In Pitchers' Battle, Striking Out Seventeen and Allowing Only Seven Hits.

After battling for thirteen innings against the fast Mannington high school team at Norwood park Saturday afternoon Frank Arnett's Washington Irving high school team rallied in the last half of the thirteen inning and shoved across the winning run, winning one of the fastest and hardest fought games that has been played in this city for many years. The final score was 2 to 1 in favor of the local boys.

The two teams were evenly matched, and before the game started Saturday afternoon each team had won victories from Shinnston, Grafton, Fairmont and Fairview and were tied for championship honors in the Monongahela Valley High School League, so the team winning Saturday's game had the lead for the championship.

Coach Arnett had been grooming Captain Dawson of the local team all week to do the twirling and his judgment was good, as Dawson pitched the best game of his life against the heavy hitting Mannington players. He was placed in critical positions time and again, when some of the younger players on his team would break under the nervous strain and make errors, placing men on the bases, but it was in these places that Dawson was at his best, time and time again pulling out of bad holes by striking out one or two or three of the best players on the Mannington team. Dawson turned seventeen of the Mannington players back to the bench in the thirteen innings, and only seven safe hits were gathered off his delivery.

Lyall, who is soon to join the Charleston team as a member of its pitching staff, opposed the local boys Saturday. He is a six-footer and is considered the best high school pitcher in West Virginia, and after his demonstration Saturday afternoon, all witnessing the game were willing to agree that he is the second best high school pitcher, but he met his master Saturday afternoon. He held the local boys to eight hits in the thirteen innings, and gave three free passes to first, and hit two batters. He forced sixteen to walk back to the bench after taking three healthy swings at the atmosphere.

All members of both teams played excellent ball, considering their age and experience, and the strain they were laboring under in the extra innings. Weekly, of the local team, deserves special mention for two catches he made which saved the day for Washington Irving. Both were nine drives near the fence in deep right field.

Saas, who worked in his first game behind the bat for Washington Irving showed rare form and had the Mannington boys fearing his right wing at all times. The two stolen bases secured off him were when third base was occupied.

Mannington scored first in the third

Between Columbia and the Navy. Passing the mile point Princeton had gained several feet of open water on Columbia. It was here that the sailors produced their spurt and nosed out Columbia for second place.

There was a strong head wind blowing when the race was rowed but otherwise the conditions were ideal.

Syracuse varsity eight won the Junior collegiate race. In the first heat of this event Syracuse beat Pennsylvania by three quarters of a length. Leading virtually all the way, Harvard's third crew gave Syracuse a battle in the first quarter mile, but the New York state oarsmen, rowing a fast stroke, pulled away after which Pennsylvania challenged the leaders. The second heat was won by Harvard's second crew, after a hard race with Annapolis and Yale. The midshipmen rowed a poor course and Yale's third crew beat them to the finish. The final heat brought together Syracuse, Pennsylvania, Harvard and Yale. It was a test between Syracuse and Harvard. The Cambridge crew led for a quarter mile and then Syracuse took the lead and was never headed off. Harvard finished second, Yale third, and Pennsylvania last.

The Steward's cup race was won by the Union Boat Club of Boston, which took the lead after the initial quarter.

## STAR HAWK IS CLOSE SECOND

Runner-up is Very Far in the Rear during First Half of the Race.

SOME HORSES DISAPPOINT

Dominant and the Heretofore Unbeaten Thunderer Make a Very Poor Showing.

(BY ASSOCIATED PRESS) LOUISVILLE, Ky., May 13.—

With Star Hawk, A. Macomber's English colt, only half a length behind and gaining at every stride, George Smith, a three-year-old out of Reach-Consuelo colt, running in the colors of John Sanford, of Amsterdam, N. Y., won the forty-second annual running of the Kentucky derby at Churchill Downs today. With 117 pounds on the colt covered the mile and quarter in 2:04. He was third choice in the betting, two dollar winning pari-mutuel tickets paying slightly better than four to one.

The fast timing, Franklin, J. S. Ward's son of Jim Gaffney, after having set the pace part of the way, lasted to win third money by a head from his stable mate, Dodge. The other five starters were strung out for an eighth of a mile. Surprisingly disappointing to the thousands at the track was the running of Harry Payne Whitney's pair, Dominant and Thunderer, installed heavy favorites. Dominant for a short distance battered his backers when Jockey J. Notter hustled him into the lead at the rise of the barrier. The heretofore unbeaten Thunderer, full brother of last year's derby winner, Regra, never was prominent.

Star Hawk's performance was sensational. Apparently unacquainted with American post usage, the English colt was almost left and trailed the field by many lengths passing the grand stand the first time. He did not seem to strike his stride until half of the race had been run when he came with a terrific rush overtaking the first one by one except the winner. Dominant set a fast pace for three quarters of a mile closely attended by Kinney, when both stopped badly. Franklin, a Kentucky colt, and on which the hopes of the Kentuckians were planned, assumed the lead momentarily. Turning into
